BENEFITS

- Allows flow-through of light with added privacy
- Measures and installs like plantation shutters over existing window opening
- Ideal for any wet/humid environment
- Neither frame, nor blocks will warp, chip, yellow or mold.
- 40% more energy efficient than glass block— great insulator!
- UV inhibitors built into the blocks to protect tile and fabrics
- Manufacturing time is only 10-15 business days

An Elegant Complement to Your Current Window Coverings...When Both Privacy and Light are Desired.
